

REMARKS

The claims have been amended to address the rejection under 35 U.S.C. § 112, ¶ 2.

In a telephonic interview between the undersigned and Examiner Nawaz on June 29, 2009, agreement was reached that changing the dependent claims to recite “The method” in place of “A method” will address the § 112 rejection with respect to that aspect of the claims. Moreover, the Examiner indicated that removing “one or more” in the claims would address the § 112 rejection with respect to the phrase “one or more.”

The Examiner also indicated that the Examiner will enter this Amendment After Final to remove the § 112, ¶ 2 issue from appeal.

Entry of the Amendment is respectfully requested. The Final Rejection of the claims under 35 U.S.C. § 102 is being appealed.

In view of the foregoing, allowance of all claims is respectfully requested.

The Commissioner is authorized to charge any additional fees and/or credit any overpayment to Deposit Account No. 08-2025 (500111540-2).

Respectfully submitted,

Date: July 2, 2009
